Firm Order Confirmation & Terms of Sale

Your order will be entered for available production time only after you have reviewed, signed, dated, and returned this Firm Order Confirmation, with payment. We do not “promise” delivery dates due to the many variables associated with custom saddle making. Each Orthoflex product goes through inspection at each major completion stage, any of which can be rejected, and could delay the products’ completion. We will periodically give the most probable “projected” delivery date based on the order confirmation date and/or current status of your order.
