This warranty does not cover duplication of color or appearance of leather, used by the company, which the purchaser may have seen in advertisements, and in person, or which the purchaser may not like. Since the company has no control of the method of use, type, or suitability of tack which may be used by the purchaser or others, no control of the purchaser’s or user’s style of riding, whether appropriate or not appropriate, and any resulting soreing or other damage to a horse, this warranty specifically excludes such soreing, or damage, as a result of the use of the saddle.
